

Gay or Bi Living in New West, Surrey or Fraser Valley?

HIM wants to hear from you!

**How do you get information about your
sexual health?**

**Ever wonder where to get a
confidential HIV test?**

**Would it help to have a safe place
to talk about gay/bi friendships
and relationships?**

***Gay and bi men often have unique health
needs and concerns.***

***Health Initiative for Men (HIM) wants
to hear about yours!***

If you live in the Fraser Health area, please fill out a survey to help us plan for potential services in your community. The survey is anonymous and confidential, and should only take about 5–10 minutes.

It's easy to participate!
