

The *Patient Engagement In Research Scale (PEIRS)* Study

Seeks a total of 298 patient partners on research project teams in Canada to complete an online survey to validate the Patient Engagement In Research Scale (PEIRS)

PEIRS is designed to determine how meaningful working on health research projects was for patient partners

Who Can Participate?

People who:

- Communicate in English
- Have been a patient partner (patient or family caregiver) on a research project team in Canada
- Aged 18 years or older

Study start date: October 2018

End date: To be determined

For more information, please contact:

Dr. Clayon Hamilton, Researcher
University of British Columbia, Canada
chamilton@arthritisresearch.ca

How To Participate?

This study will likely require 20 to 30 minutes of your time

Link to eligibility form: <http://bit.ly/PEIRS-online-survey>

Step 1. You complete the eligibility form

Step 2. We contact you by email or phone to confirm you are eligible

Step 3. We will then email you a link to complete the online survey

Compensation

Chance to
win 1 of 20
\$75 gift cards
