**What is the
Cheque Day Study?**

The Cheque Day Study is a research project looking at what happens when the timing and frequency of income assistance is changed. Volunteers in the study were paid on a day outside cheque week, or twice a month outside cheque week.

We now have preliminary results to share and hope you will come discuss them with us.

Where?

The Carnegie Community
Centre
401 Main Street

Elder Roberta Price will begin
our morning at 10:15am.

We will have light refreshments
